DEEP KNOWLEDGE. UNMATCHED EXPERIENCE.

On our beautiful mountain plateau, people know the McKee name. Thanks in great part to the legacy of our founder, the late A. William McKee, it has been associated with longevity, vision, dedication and respect for the land for more than 40 years. It is recognized for our deep knowledge of Cashiers, NC and the lifestyle for which it is now widely known.

Our experience in high-end real estate and responsible development in the area is unmatched. McKee Properties developed the nationally-renowned and celebrated Wade Hampton Golf Club, which inspired the luxury communities and clubs that the area is known for today.

McKee Properties is the #1 office in total dollar volume sales within the Highlands-Cashiers Multiple Listing Service during the past decade. This achievement reflects total dollar volume from January 1, 2009 to December 31, 2019 according to data from the Highlands-Cashiers Board of Realtors Multiple Listing Service (MLS).

Additionally, McKee Properties is proud to be recognized as a Founding Partner of G&G Land, a new special section of *Garden & Gun* magazine, featuring the properties that are dedicated to an “authentic sense of space and inherent responsibility to the natural world.” Read all about it in the April/May 2020 issue of the magazine or at: gardenandgun.com/land.
